

Unsatisfactory Progress -Semester 2 2018

Greetings from **the Tertiary Scholarship & Loans Board!**

We have received your Mid semester progress report from the University of the South Pacific and we note that some of our students progress till date has been deemed **unsatisfactory/very weak**.

If you are currently underperforming, consider this a probation period with us, and should you fail due to your own negligence, you have signed an official agreement with us regarding the status of your continuation on the scheme, meaning we will assess your progress for the term and can decide on a suspension or termination come semester 1 2019.

Reports received suggest the following about underperforming performances:

1. Missed several tutorials
2. Non-submission of assignments
3. High Plagiarism
4. Missed MST
5. Non-Attendance of Labs/Practicals
6. No records yet

TSLB wishes to remind you of the TERM TO TERM ASSESSMENT policy which states:

*6.1 This Loan/Award Scheme will be reviewed on a semester/ trimester/penster basis and students will be **immediately suspended or have the award terminated** if he/she:*

- I. Fails to meet the required pass, which is 50% above in the first academic term and 75% and above in the subsequent academic terms; (TELS)*
- II. Fails to maintain a GPA of 3.0 or above for each academic terms (NTS)*

It is a gentle reminder, that if you have not been working hard till now, you begin today. It is still not too late to get back into that group work, or do a makeup assignment for a missed test. Please liaise with your course co-coordinators to figure out the best way forward.

Satisfactory/Excellent Progress so far?

TSLB would like to congratulate the students that read on our mid-semester status reports as satisfactory/excellent students, and we hope this message motivates you even further into getting what you have aimed for this semester. You have been working hard, and your hard work will not go un-noticed, and we wish you the best in working towards your dreams!

Keep up the excellent work!

To all our TSLB sponsored students, we wish you the best in your studies, and we hope to get a 100% pass from you, as we are sure, you surely can!
